Go to [www.larsondoors.com/taxcredit](http://www.larsondoors.com/taxcredit), download and print out the Certification Statement and keep it for your tax records.

\* Storm doors qualify for the Energy Tax Credit under the American Recovery and Reinvestment Act. Storm doors must be used in combination with exterior doors and meet the prescriptive criteria established. Please refer to the Manufacturer's Certification Statement at [www.larsondoors.com](http://www.larsondoors.com). For more information, see [www.energy.gov](http://www.energy.gov).
